## OFFICE AND FINANCIAL POLICIES

**FEES:** The fees charged in this office are comparable to those charged by other healthcare providers in these areas, with similar qualifications. We accept cash, credit cards and personal checks. Please note there is a \$25 charge for checks with insufficient funds.

**PACKAGE AGREEMENTS:** The packages that are offered in this office are at a discounted rate from the price per treatment. **The packages are non-refundable and can not be shared.** If you suspend or terminate your care at any time, your portion of all charges on your package agreement will be immediately due and charged to this office to the credit card that's on file.

**INSURANCE COVERAGE:** Many insurance policies cover Acupuncture care, but this office makes no representation that yours does. Insurance policies may vary greatly in terms of deductibles and percentage of coverage for Acupuncture care. Because of the variance from one insurance policy to another, we require that you, the patient, be personally responsible for the payment of your deductibles, as well as any unpaid balances in this office. We will do our best to verify your insurance coverage, and will bill your insurance in a timely manner.

**VOLUNTARY TERMINATION OF CARE:** If you suspend or terminate your care at any time, your portion of all charges for professional services is immediately due and payable to this office. All services rendered by this office are charged directly to you, and you, ultimately will be personally responsible for payment regardless of your insurance coverage.

## APPOINTMENT POLICY

Welcome to DeJongh Acupuncture Clinic. We are delighted to have you as a patient and look forward to providing you with the highest quality care. In order to optimize your relationship with us, please take a minute to read our appointment policy.

Many of our clients are pleased to find out that we are usually on time. This is because **a treatment room has been reserved for you**, whereas most medical offices overbook by appointing several patients at the same time. That kind of scheduling provides the practitioner with a steady flow of patients but does not respect the patient's time. Occasionally, there is a problem with patients who are not used to staying on schedule themselves. With that in mind, **if you are going to be more than 15 minutes late, please call to confirm availability. If arriving late to appointment, patient will receive a treatment for remainder of the allotted time.**

## CANCELLATION POLICY

As a courtesy to our office and other patients, we ask that you please notify the office at least 24 hours in advance for any reschedule or cancellations in order to avoid the cancellation fee. This allows us time to schedule another patient that would also benefit from treatment. This appointment policy allows us to develop a mutual consideration and respect for our time and yours. **No emails or rescheduling notice will be accepted as cancellation, you must call the office to notify one of our staff members or leave a detailed voicemail.**

**A valid credit card must be on file for all Booked appointments. For any cancellations or no show given less than 24 hours which will be charged the full price of treatment scheduled as a cancellation fee and consultations will inquire a \$100 fee.**
